

about tomorrow

What can we do to fight climate change?

Annual CO₂ emissions

1850

1950

30 billion t CO₂

2000

2019

Barbera Metzler

-  Works for a small company
-  Her company recycles old plastic bottles
-  Values sustainability

Barbara Metzler

Wants to build a new website for her company

Why build tomorrow?

Simple

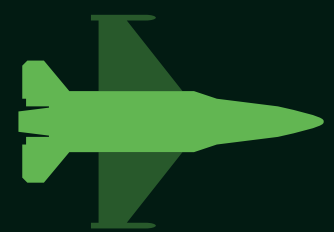

Climate friendly

Easier than big builder (Wix)

Cheeper

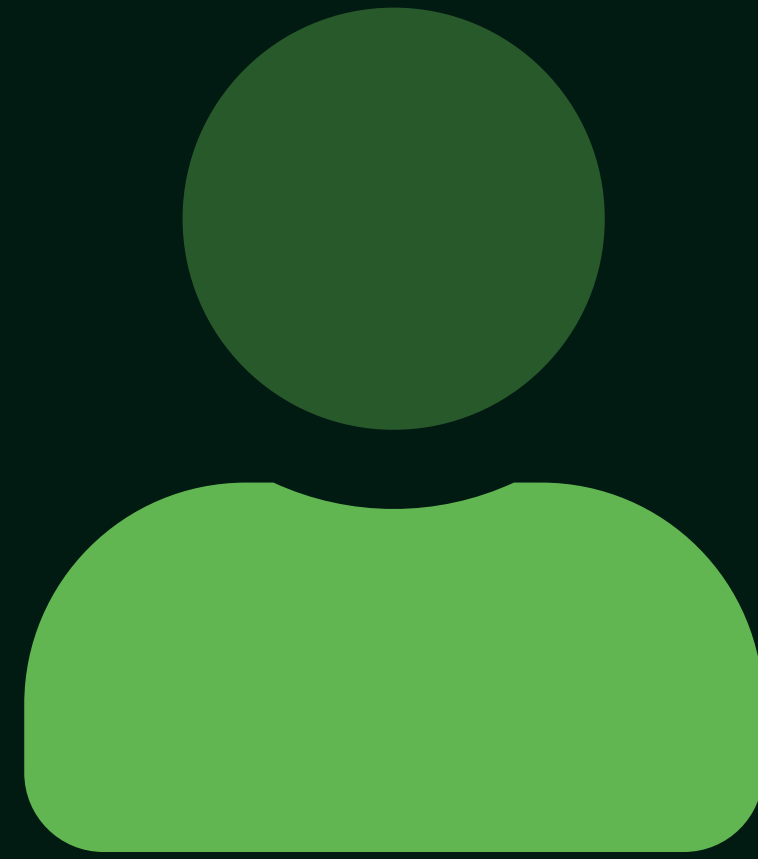

Awesome performance

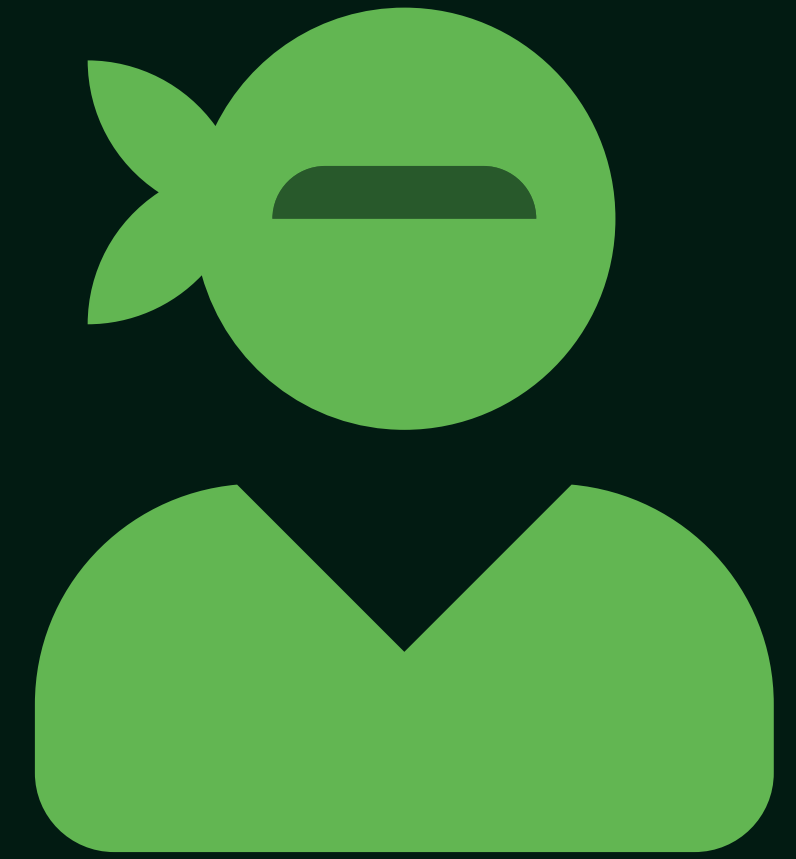

build tomorrow for everyone!

Beginner

Advanced

Expert

Start making changes now!

Thank you
